ARGUMENT IN FAVOR OF MEASURE A

Yes on Measure A

Please vote yes for BART and traffic relief — NOW. Measure A is the best transportation solution for Santa Clara County. We connect to BART so 78,000 daily riders get off our roads. That's like adding 3 traffic lanes. We improve roads, freeways, our environment with cleaner air. We spend more time at home, less on the road. It's about time.

Measure A requires NO TAX INCREASE. It extends current ½ cent sales tax that expires in 2006. With Measure A this year, we save $725 million of state funds from going elsewhere, like Los Angeles, because local matching funds are required soon. It's about time.

Better and faster transit to take cars off the road:

• Brings BART to Milpitas, San Jose, Santa Clara;
• Connects San Jose International Airport to CalTrain, light rail, BART;
• Expands, electrifies CalTrain from Palo Alto to Gilroy;
• Builds light rail to East San Jose, Evergreen, with plans for Cupertino, Los Gatos, Palo Alto, Santa Clara, Sunnyvale, South or West San Jose;
• Adds express bus service, new clean-air bus fleet;
• Increases service for seniors and the disabled.

Balances road and freeway improvements.

Measure A focuses on transit so $2 billion of transportation funds can go directly to roads and freeways for potholes, landscaping, graffiti removal, pedestrian safety, and new interchanges, additional lanes, safety improvements on:

• Highways 17, 85, 101, 237, 280, 880;
• Central, Lawrence, Montague, and San Tomas Expressways.

Strong accountability: projects on time and on budget.

• Annual independent financial audits appear in local newspapers.
• Citizens watchdog committee insures bonds issued at lowest interest rates, projects are on time and budget.
• Administrative cost limited to ½ of one percent.

Transportation experts worked 16 months on these solutions. Now people have a chance to vote for BART and traffic relief. It's about time. See the plan: www.vta.org.
